upsurge and efficient delivery of medical services -reg**

Ref: Letter No Pt.U-16/30/695/2019-PC/Misc(757) dt 26.04.2021

Respected Madam/Sir,

As you are aware that recently there is remarkable surge in COVID -19 cases in many countries due to outbreak of new SARS CoV-2 variants, All Deans/Medical Superintendents of ESI institutions are informed to prepare in advance for establishing operational readiness of medical infrastructure required for management of anticipated COVID upsurge and ensure the following:-

1. Prompt assessment of existing medical infrastructure i.e life saving equipment, instruments, consumables etc.
2. Ensure sufficient stock of all functional and essential COVID relate supplies such as Ventilators, Multipara Monitors, Defibrillators, LMO Tanks, PSA plants, Oxygen Concentrators, Nebulizers, Pulse Oximeters, Oxygen cylinders (both B & D type) and all other key equipment along with disposables like PPE Kits, masks, gloves etc. for management of COVID and efficient delivery of medical services while maintaining safety of all Healthcare workers.

I/153450/2022

3. Urgent remedial measures may be taken to plug the gaps/constraints/deficiency (if any) w.r.t medical infrastructure at respective ESI institutions for efficient delivery of medical services, as per procedure.

This is for your information and urgent necessary action.

This issues with the approval of Competent Authority.

Yours sincerely,

(Kumar Subodh Prasad)
Asst. Director(PC)
