Integrity Pledge for Citizens

I believe that corruption has been one of the major obstacles to economic, political and social progress of our country.

I believe that all stakeholders such as Government, citizens and private sector need to work together to eradicate corruption.

I realize that every citizen should be vigilant and commit to highest standards of honesty and integrity at all times and support the fight against corruption.

I, therefore, pledge:

- To follow probity and rule of law in all walks of life;
- To neither take nor offer bribe;
- To perform all tasks in an honest and transparent manner;
- To act in public interest;
- To lead by example exhibiting integrity in personal behaviour;
- To report any incident of corruption to the appropriate agency
