Subject: Aadhar Implementation in ESIC-reg.

Sir,

In pursuance to the Gazette Notification dated 13-01-2023 regarding Aadhaar, the provision for seeding and authentication of Aadhaar of the newly registered Insured Persons, has been implemented in the system.

Now, an employer can seed Aadhaar Number while registering an Employee. After authentication of Aadhaar, the personal details of the employee will get auto populated in the system. Also, by providing consent, ABHA (Ayushman Bharat Health Account) No. of the employee will also be generated on the basis of provided Aadhaar Number. ABHA number is a unique identity and shall identify a person, and update his health records across multiple Healthcare service providers.

The User manual is attached herewith for kind information expediting the process of Aadhaar seeding and generation of ABHA.

Hence, it is requested to seed Aadhar number of newly registered employee at the earliest.

Yours faithfully,

(Manoj Kumar Shaw)
Regional Director (I/c)

We Are Migrating To One Unit One Identifier

Government of India plans to do away with all employer codes being issued by separate labour enforcement agencies such as ESIC, EPFO, O/O CIC(C) and DGMS etc by replacing them with new Labour Identification Number (LIN). Your unit has already been allotted a LIN and the same can be obtained online using <http://tinyurl.com/whatismylin> Please verify the information associated with your LIN before the current employer codes are rendered useless. The procedure to verify the information is given in <http://tinyurl.com/shra> support please contact [help-shramsuvridha\[at\]gov\[dot\]in](mailto:help-shramsuvridha[at]gov[dot]in)
