K-Any suggestion/Issues that Regional Office would like to share with the Headquarters Office, if any.

Sr. No.	Detail of suggestion/issue, if any, in brief.
1.	Proposal for construction of R.O. building and staff quarters has been forwarded to HQ. The process of construction may be expedited as there is acute scarcity of space as the Regional Office has been running in a rented premises since its inception.
2.	Several efforts have been made by this office as well as ESIS for empanelment of IMPs but no EOIs have been received by this office. One more attempt has been made by this office by inviting online application. However, it is suggested that state ESIS may be allowed to setup at least one dispensary in each district on relaxed norms/standards.
